

# Mission Statement

Rum Tum Tugger's Nursery is a community-based facility that provides the highest standard of childcare for children in the age range of 0 to 5 years. We aim to ensure that the social, emotional and educational needs of each child is met and provided for with the best possible care and attention. Our objective is to provide a nursery that is a parent's first choice and that this choice is the result of their child's enjoyment of the early year's experience. We recognise that, above all else, a child's individual needs and safety are paramount and these must override all other considerations.
